- Traditional and robotic automated milking systems and components
- Refrigeration components of new/used milk tanks and cooling systems.
- All components of new and remodeled milk harvesting equipment
- Feeding equipment, silo unloaders, automated calf feeders, fans, manure equipment, waterers, lights, etc.
- Complete electrical wiring and installation in barns and farms
- Plumbing for dairy operations
- Account for time spent on jobs and material used in performing duties
- All other duties as assigned

**REQUIREMENTS**

- Proficient knowledge of electrical, plumbing, and mechanical systems
- Ability to perform basic repairs and required maintenance using special tools and equipment as provided by WG Dairy Supply
- Basic computer abilities with proficiencies in oral and written skills
- Ability to lift at least 50 lbs.
- Promptly attend required trainings to receive pertinent certifications for on-call scheduling
- High School Diploma or equivalent experience is required; Associates degree preferred
- Valid driver’s license with a clean driving record

**APPLY FOR THIS POSITION BY JANUARY 1, 2024 AT OHIOFFAWORKS.COM**

**WE OFFER**

- “Team First” Focused Culture
- Competitive Wages
- Paid Training
- Health Insurance Benefits plan options
- 401K w/ Company Match
- Paid Holidays
- Vacation Time
